

# Active Volleyball Facility Protocols

## Priorities

- \*Safety and sanitizing system in place.
- \*Making families and coaches feel safe and in their “comfort zone” as much as possible.
- \*Limit number of people in gym.
- \*Traffic in and out of gym to follow social distancing.
- \*All procedures are NON-NEGOTIABLE if you want to use the facility. They are in place for your benefit, the other coaches, players and families and the club as a whole.

## Procedure for parents and players on how to enter and exit the gym:

1. Player will be dropped off in mask with waiver document signed by parent 10 minutes prior no earlier, to clinics start time. Player is allowed one water bottle, cell phone and car keys. No bags.
2. Player will enter through front door, read signs, apply social distancing and will check in at the front desk. Sanitize hands, hand in waiver(s), temperature check and verbal questionnaire.
3. Coach and/or manager will tell players which court to report to and player will meet their coach at the court. Court 1 by the den and Court 2 by the turf.
4. Bathrooms are available for emergency use only. After each person uses, coach/manager will sanitize bathroom for next person to use. Wipe handles and sink handles down, bathroom doors.
5. When clinic has ended player will gather belongings and exit through the front door promptly. Please no lingering. Parents must be on time for pick up.
6. Coach will trade out used for new sanitized balls and ball cart and will wipe down all stationary equipment between each clinic.
7. Parents will pay and register for their clinic via our website prior to clinic. No cash and/or checks will be accepted.
